

Neil Young Sings "Whip My Hair"

Jimmy Fallon

Whip my hair back and forth
Whip my hair back and forth (just whip it)
Whip my hair back and forth
Whip my hair back and forth (whip it real good)

Hop up out the bed, turn my swag on
Pay no attention to them haters
Because we whip 'em off
We ain't doin' nothin' wrong
Don't tell me nothin'
I'm just trying to have fun
So keep the party jumping

Whip my hair back and forth
Whip my hair back and forth (just whip it)
Whip my hair back and forth
Whip my hair back and forth (whip it real good)

Don't let haters get me off my grind
Keep my head up, I know I'll be fine
Keep on fighting until I get there
When I'm down and I feel like giving up
I feel like giving...

Whip my hair back and forth
Whip my hair back and forth (just whip it)
Whip my hair back and forth
Whip my hair back and forth (whip it real good)

All my ladies, if you feel me (whip your hair)
Do it, do it, whip your hair (whip your hair)
Don't matter if it's long or short (whip your hair)
Do it, do it, whip your hair (whip your hair)

Oh-oh-oh-oh, whip my hair [x3]

Whip my hair back and forth (whip your hair)
Whip my hair back and forth (just whip it)
Whip my hair back and forth (just whip it)
I whip my hair back and forth (you gotta whip your hair)
