

## Down the Line

Jimmy Page

You gonna be my lover baby  
You ain't gonna stop  
I'm gonna give you real good love  
Gonna drive

Well move, move on down the line  
I'm gonna do right, do right all the time

Well I'm gonna move on down the line  
I'm gonna get this girl to be mine  
She'll be cool and she'll be tall  
We gotta go
