

Ain't No Time for Fussin'

Jimmy Reed

Ain't no time for fussin' baby, honey it's time for love
Ain't no time for fussin', honey it's time for love
You treat me like a stranger but you say I'm the one you love

Why don't ya prove it to me baby, stay home and treat me right
Oh ya prove it to me baby, stay at home and treat me right
If you do these things woman, I know ev'rything gone be alright

Honey, pull off your high heels, put your mini dress back in yo
ur bag
Pull off your high-
heel sneakers, put your mini dress back in the bag
Put your wig hat upside the wall and c'mon let's have a ball

Ain't no time for fussin', it's time for to make some love
It ain't no time for fussin', it's time for to make some love
You could treat me like a stranger but you say I'm the one you
love
