

Can't Stand To Leave You

Jimmy Reed

I can't stand ta' leave ya, baby, you'll break my heart if you go

I can't stand ta' leave ya, baby, you'll break my heart if you go

I know you got-

a thing goin' on, down at the corner grocery store

When I left you this mornin', you didn't have a lousy dime

When I left you this mornin', baby, you didn't have a lousy dime

When I got back, baby, ya had your favorite bottle a-wine

I forgive you, baby, for ev'rything you said an' done

I forgive you, baby, for ev'rything you said an' done

Ya better forget the grocery store, baby, and find yourself another run
