I'm Gonna Get My Baby

Jimmy Reed

Well, my things a-start hoppin'
And my knees start a-rockin'
Gonna find my baby boomer
Built to start to a-rockin'

I'm gonna get my baby
I'm gonna get my baby
Gonna get my baby
Gonna get my baby for me

Well, she's my mama
Loochy-hoochy goo-dee hoochy-goochy
Once you got the love, now
On the way to the movies

I'm gonna get my baby
Gonna get my baby
I'm gonna get my baby
Gonna get my baby, right now

Well, I called California
And I called New York
For it's over I'm gonna
Call me a problem

I'm gonna get my baby
Gonna get my baby
I'm gonna get my baby
Gonna get my baby, right now
