

# Hold On To My Love

Jimmy Ruffin

Today, you came by, to tell me you are leaving me, and to say,  
that  
the love, and all that we knew had just drifted away. And I loo  
k, in  
your eyes, and I couldn't bare the pain I felt inside, of my he  
art. To  
think I'm gonna be lonley again, and if e-  
ever, then I know at a glance  
that I don't stand a chance.

Hold on, to my love, I'm nothing, and I can't get along without  
you.  
Your the light of my life. There no living without (your love).

It's so hard, to believe, that your going away could make me fe  
el so  
down. Cause I know, that from this moment on I won't have you  
around. And if e-  
ever you go, then I know at a glance that I won't  
stand a chance.

So hold on, to my love, I'm nothing, and I can't get along with  
out  
you. Your the light of my life. There no living without (your l  
ove).

Ooooh, oh baby, nobody's taking you place. But for you, but for  
me,  
our love would live on for the whole world to see.

So hold on, to my love, I'm nothing, and I can't get along with  
out  
you. Your the light of my life. There no living without your lo  
ve. No,  
no, no, no, Hey. Whooo

Honey hold on (hold on), to my love (my love), I'm nothing (hol  
d on)  
and I can't get along without you (hold on). Your the light, yo  
ur the  
light, of my life (my life). Theres no living without (your lov  
e. Hold on,  
to my love). Hold on, cause I'm nothin girl, and I can't get al  
ong  
without you, you, your the light of my life (my life). And I ju  
st can't live  
without you.
