

I Could Never Love Another (After Loving You)

Jimmy Ruffin

Girl I can't believe my ears, are you really tellin' me goodbye?
?

Say you're takin' away my reason for livin',
and you won't even tell me why.

Before you walk out the door there's something I want you to kn
ow.

That I could never ever love another after loving you.

No other love would I share 'cause none could compare after lov
ing you.

It was only yesterday, your words are still fresh in my mind.

You said: "Long as rivers flow, each day you'd love me more."

Now you wanna leave me behind.

I don't know what it's gonna take to make you stay,

I just know that I got to find a way.

That I could never ever love another after loving you.

No other love would I share 'cause none could compare after lov
ing you.

So baby please stay beside me, I need your love to guide me.

It was only yesterday, your words are still fresh in my mind.

You said: "Long as rivers flow, each day you'd love me more."

Now you wanna leave me behind.

I don't know what it's gonna take to make you stay,

I just know that I got to find a way.
