I Pray You Still Love Me

Jimmy Ruffin

Will I know what to say
Oh, the moment we meet?
Should I hold you, should I kiss you
Or just touch your cheek?
I wonder how you look (Oh, wonder)
Mm, will you look the same?
It's been over a year (Oh, baby)
I hope you haven't changed

I pray you still love me (Oh, I pray you still love me)
I pray you still do (Ooh, I pray you)
I pray you still love me, now (Every day, I still love you, baby)
'Cause I still love you, love you, love you (I still love you, love y
ou, love you)

The train's passing through Richmond
Oh, I'm about halfway there
But the thought of touching you
Starts a sweet and painful fear
I wore my blue suit, ha, hahaha
You know you always liked blue
I want to see you so bad, oh, baby (Oh, baby)
Yet I'm almost afraid to (Oh)

I pray you still love me (Oh, I pray you still love me)
I pray you still do (Ooh, ooh)
I pray you still love me (I pray you still love me, baby)
'Cause I still love you, I love you, I love you, baby (I love you, lo
ve you)

I crossed each day off the calendar
Since the day we had to part
And ooh, if you don't want me now
It would surely, surely break my heart

I pray you still love me
I pray you still do (Hi baby, how ya doin'? Hi Jimmy, how are you?)
I pray you still love me, girl (Ah, it's fine. It's been so long, wou
ldn't you look at you?)
'Cause I still love you, I love you, I love you, I love you (Have I c
hanged? No, you're fine as ever. Hey, give me a kiss)

I pray you still love me (Did you miss me? Oh yes, I really missed yo
u, Jimmy)
I pray, I pray, I pray, I pray you do (Baby, I've been wondering all
the way home. Tell me, do you still love me?)
I pray every day that you still love me (That's all I wanna know)
'Cause honey, I love you, I love you, don't you know that I (I've bee
n wondering about the things you used to tell, wondering if you still
 felt the same)

I pray, I pray that you love me (Such a great, wonderful feeling, kno

wing you still love me)
Ooh, please (In fact, I've brought you something)
