

# More Than A Heart Can Stand

Jimmy Ruffin

Mmhmm hmm hmm hmm  
Ha, ha (Ooh, ooh, ooh)

A lonely man was I 'til you walked into my life  
Oh baby, and gave your love to me  
My days were dark as night, but the sunshine of your smile  
Ooh honey, it brought new life to me  
But now you say that you're leaving me  
Say you're taking my sunshine away  
Oh, baby  
And I can see the dark clouds closing in on me

And it's more than a heart can stand  
Said it's more than my heart can stand, yes it is

If I thought that crying would change your mind  
Then I'd cry, cry, cry a million tears, oh baby  
'Cause there's no denying that a love like your love  
Comes along once in a million years, baby  
I know sometimes things like this must be  
But, honey, honey, honey, please don't force this hurt on me  
I love you so, ooh, can't you see

That it's more, more than my heart can stand  
Said it's more than the heart can stand, yes it is

Ha (My heart can't stand it)  
Baby, baby (No, no, no)  
(My heart can't stand it)  
I just, I just, I just, just can't stand it (No, no, no)  
(My heart can't stand it)  
Can't you see, can't you see I can't stand it? (No, no, no)  
(My heart can't stand it)  
No, no, no, baby, baby (No, no, no)

Please don't go, let's talk it over, baby, baby  
Can't we make amends? Oh, baby  
Please don't lock me up in this loneliness again

It's truly more than my heart can stand  
And it's more than a heart can stand, yes, it is

Woo (My heart can't stand it)  
Baby, I just can't stand it (No, no, no)  
(My heart can't stand it)  
Can't you see, can't you see I can't stand it? (No, no, no)

I said, mm (More than a heart can stand)  
Don't leave me, baby (Yes it is, yes it is)  
I said, please (More than a heart can stand)  
Don't leave me, baby (Yes it is)

'Cause it's more (More than a heart can stand)  
More than my heart can stand (Yes it is, yes it is)  
And it's more than my heart can stand, yes it is

Aye, more (More than a heart can stand)

More than my heart can stand (Yes it is, yes it is)  
Said it's more than my heart can stand, yes it is

Oh baby, my heart can't, my heart can't (More than a heart can stand)  
My heart can't, my heart can't stand it, baby (Yes it is, yes it is)  
My heart, my heart (More than a heart can stand)  
My heart, my heart, my heart can't stand it, can't stand it, baby (Yes it is  
)

(More than a heart can stand)  
Can't stand it, baby, ooh (Yes it is, yes it is)  
Feelin' the pain (More than a heart can stand)  
Might wish it would rain, baby (More than a heart can stand)  
(Yes it is)

'Cause I can't stand it (More than a heart can stand)  
Got to stay inside (Yes it is, yes it is)  
Ooh, I can't stand it (More than a heart can stand)
