

# Rolling

Jimmy Somerville

I have a feeling for the heart of things  
My eyes are open to the view it brings  
And they're telling me  
And they're showing me

Life is hard  
Oh, so hard

I'm taking chances  
No regrets and holding on  
'Cause I know what to do  
I've got to keep on pushing through

Goin' to keep on rolling  
Keep on rolling

We place so much  
Upon such silly things  
We put our hopes and dreams  
In golden rings

And I don't believe  
In the mystery of destiny  
Oh, I don't believe

And everybody wants to know  
How it feels inside  
But I know what to do  
We've got to keep on pushing through

So we keep on rolling  
Keep on rolling

We keep on rolling  
Everybody wants to know  
How to keep on rolling  
Keep on rolling

Everybody wants to know  
How to keep on rolling  
How to keep on rolling  
How to keep on rolling

Everybody wants to know  
How to keep on rolling  
How to keep on rolling  
How to keep on rolling

Everybody wants to know  
How to keep on rolling  
Keep on rolling  
Keep on rolling  
Keep on rolling
