

Some Wonder

Jimmy Somerville

Bring on the wonder
Bring on the light

Some wonder
Lights up my day
Some wonder
Don't go, please stay

Time is fast (x3)
Running away
Time is fast (x3)
Running away

Time runs with me
Runs with my fears and my dreams
But time will always be
My guiding light
History

Time is fast (x3)
Running away
Time is fast (x3)
Running away

Some wonder
Don't go, stay

Time gives me
Gives me this love and this life
But time can easily
Take it all away

Time is fast (x3)
Running away
Time is fast (x3)
Running away

Bring on the light
Bring on the wonder
(x3)
Bring on the light
Bring on the wonder
(x3)
Stay

Bring on the light
Bring on the wonder
(x3)
Stay
