

C.C. Rider (See See Rider)

Jimmy Witherspoon

See see rider,
See what you have done,
Lord, Lord, Lord
See see rider,
See what you have done
Stole my girl
Now that man has gone

Gonna buy me a pistol,
Just as long as I am tall,
Lord, Lord, Lord
Buy me a pistol,
Long as I am tall,
Shoot that man, [girl]
And cast that cannon ball

[Instrumental]

Well, see see rider,
See where did you stay last night?
Lord, Lord, Lord
See see rider,
Where did you stay last night?
Well Your shoes ain't laces
And your clothes just don't fit you right
