

# Bench Boy

Jimmy Wopo

Yeah (yeah), yeah (yeah)  
BMG, we in the street  
Stevie on the beat

She ain't bad I ain't payin' shit  
She a star, I'ma grant her wish  
You ain't scoring, you just play the bench  
Bench boy, you ain't getting in  
You ain't scoring, you just playin' the bench  
Bench boy, you ain't getting in  
Bench boy, you will never win  
You ain't scoring, you just play the bench

I got sack, I got seg on 'em  
Dirty money, paparazzi brought the feds with 'em  
They be hating, just a little criticism  
Kiss my bands baby, I be blowing kisses to 'em  
But I ain't paying shit  
I ain't sayin' shit  
If they ain't a ten, I ain't tryna spend  
If she ain't a ten, I ain't tryna spend  
Bought a MAC 10, shawty spent bands  
Lost a couple friends, I won't do it again  
I won't lose again  
And I can't stop 'cause time keep running  
Who gon' stop me from getting this money?  
And I collect it how it coming  
Hundred fifty, twenties, fifties, hundreds

She ain't bad I ain't payin' shit  
She a star, I'ma grant her wish  
You ain't scoring, you just play the bench  
Bench boy, you ain't getting in  
You ain't scoring, you just playin' the bench  
Bench boy, you ain't getting in  
Bench boy, you will never win  
You ain't scoring, you just play the bench

Bench boy you're on the porch  
On the stage or on the court  
They always trying without support  
I came with you, I need a Porsche  
I'm a blessing, thank you lord  
Explain me like I'm getting divorced  
I came from serving work and dealing  
She from twerking, stripping, stealing  
I provide her that Brazilian  
He keep it one, I keep it a million  
I'm the one out of the million  
You can bet it's just from building  
Leave around a hundred cash, can you have that?  
I'ma put her to the test, can you pass that?  
How you kick and you ain't flipping, where that stash at?  
If she bad, buy that bag, you can have that

She ain't bad I ain't payin' shit  
She a star, I'ma grant her wish

You ain't scoring, you just play the bench  
Bench boy, you ain't getting in  
You ain't scoring, you just playin' the bench  
Bench boy, you ain't getting it  
Bench boy, you ain't getting in  
You ain't scoring, you just play the bench
