I hold my breath as I walk into the ocean

I face my beautiful yet sorrowful tears
It's just another day in the darkness

I want to talk to you again
I want to know you even more today, yeah

But still, I remain with myself
I don't hear any sounds and I'm only walking in circles
That dark place that I wanted to be locked in, that I wanted to go
I'll be there
But today, I'm yet again by your side

The more I get closer to you, the more I get out of breath
And it feels like you are getting even further away from me
Maybe you are walking into a deeper ocean? Yeah
Just like me in the ocean

I want to talk to you again
I want to know you even more today, yeah

But still, I remain with myself
I don't hear any sounds and I'm only walking in circles
That dark place that I wanted to be locked in, that I wanted to go
I'll be there
So again, I close my eyes like I'm by your side
