Tuna!

Hah!
Tuna!
Super tuna!

My heart is beating, flap-flap
Where did my fish go?
East sea, west sea
Where is my fish?

It would be great if it's tuna
It would be great if it's flatfish
It would be great if it's mackerel too
It would be great if it's a shark too
Please bite on my fishing rod
At that moment the tuna asked me
Hyung, hyung, please take me

Tuna!
Hah!
Tuna!
Let's go!

Woah, woah
Flap-flap
Woah, woah
