이 밤이 지나면
넌 볼 수 없을까봐 두려워

한숨을 쉴 때마다
너의 숨소리도
너의 눈빛도
너의 목소리도
너의 웃음도

나와 함께
네가 있어
나의 하루
나의 삶
나의 모든 것
나의 모든 것
나의 모든 것
나의 모든 것

이 밤이 지나면
넌 볼 수 없을까봐 두려워
이 밤이 지나면
넌 볼 수 없을까봐 두려워

If this night passes
I'm scared that I might not see you

Those clear eyes
That familiar touch
Your face that I looked at while smiling
Will I not be able to see those again

My every day
You are there
Your every day
I am there
When that moon goes down
And the sun goes up
You who was with me
Will you not be there

If I close my eyes
I think I'll remember the times that we are together
When I close my eyes
I think I will only remember the happy memories

If I close my eyes
If I close my eyes

If I close my eyes
I think I'll remember the times that we are together
When I close my eyes
I think I will only remember the happy memories

If this night passes
I'm scared that I might not see you
If this night passes
I'm scared that I will be left alone
