

Award Show

Jin

Oh so this is what I feels like huh?
It feels great!
Yeah I've been waiting so long for this you don't even understand
I'm just happy to be here ya'll yeah yeah

Picture me at the mtv award show
The bet award show
The vibe magazine award show
I just can't wait to go (I can't wait to go)

To the mtv award show
The bet award show
Sitting in the front row
I just can't wait to go

And I ain't talking bout the superbowl,
Not the nba finals no
Allstar weekend I might not even go,
But I will do an award show
Remember how we used to watch it on tv
I told my mom watch one day you'll see me
Strolling down the red carpet, watch me, paparazzi, saying look this way
So what I do, I look that way, and I could vision how I look that day
So fresh from head to toe
Your boy made it and I'm headed to the big show

Picture me at the mtv award show
The bet award show
The vibe magazine award show
I just can't wait to go (I can't wait to go)

To the mtv award show
The bet award show
Sitting in the front row
I just can't wait to go

I got the whole world in front of me
What a wonderful night its gonna be
I need me some vip section seats
Right next to black eyed peas and kelis
So when I make my acceptance speech
I ain't gotta walk way across the street
I bought me some new shades for the spotlight
Thanks to everybody for coming out tonight
If I made a list it would never end
Big ups to Jesus, my family, and friends
Yo before I go heres what I'm gonna do
Tell my fans I love each and every single one of you

The bet award show
The vibe magazine award show
I just can't wait to go (I can't wait to go)

To the mtv award show
The bet award show
Sitting in the front row

I just can't wait to go

I'm fantasizing the situation
I didn't get a standing ovation
Finally made it, got nominated
Hotel, airfair, acommodated
After the show is the after party
I didn't win but I'm still somebody
So I'm a grab a motto
And I'm a pop a bottle
It ain't easy to win sorta like the lotto
But its be there, or be square
On that note, I'm just happy to be here
I stay humble what'd you expect here
But I promise ill be coming back next year

To the mtv award show
The bet award show
Sitting in the front row
I just can't wait to go
