And the emojis only

Yo if you out here clout chasin'  
I suggest that you just stop  
Oh you ain't heard watch the curve  
There's a new bias on the block  
I know somebody gettin' cancelled  
If they dare call this a flop  
What you sayin'?  
It's a bop  
It's a bop  
It's a bop  
This is strictly for intellectuals  
Please do not get it confused  
If we ain't mutuals we ain't cool  
I don't make the rules  
Tryin' to get noticed feel hopeless  
But beggin' that's just not cool  
'Cause guess what all you'll end up
