Everyday that goes by it's a  
Reoccurring theme  
You wonder what it's like to be heard  
And to be seen  
They say the world's a stage behind the  
Curtain though it seems  
You just passing through with no purpose  
In the scene  
A forced smile due to pride is all you show  
Hard to keep ya head high when inside  
You feeling low  
All I know is that we're each assigned a role  
Some big some small some take time to grow  
I mean I get it occasional flowers wouldbe nice  
Give yourself credit you could  
Plant a garden if you'd like  
Just to have it all what would you sacrifice  
Want your cake and eat it too  
Be lucky with a half a slice  
I know it's hard to look  
Beyond the pond it's huge from within  
But if you a small fish that's just  
More room to swim  
Feeling insignificant is far from a flaw  
In the grand scheme of things all of us are

Biān gè xìnobody  
Kěnéng xī nǐ  
Hǎohǎo zhào xià kuài jìng  
Dìng xī wǒ jiǎng jīn zìjǐ  
Yījù dào wěi  
Nǐ wǒ bù fēn

Uh huh I made a promise to myself  
If nothing else that I'd be honest with myself  
Took the chip off my shoulder put my pride  
Up on the shelf  
Got on my big boy pants another notch  
Under my belt  
I've been the opener and the  
Main attraction  
If you're still sleeping on me  
Go ahead keep nappin'  
Who's the Chinese kid that raps

They say my name with passion  
Depending who you ask you won't get  
The same reaction  
As for opinions I respect every one  
But facts are facts no matter how the  
Narrative is spun  
I'm a legend to some second to none  
Cause what I had to do get here  
Has never been done  
Of all the lessons that I've learned this one is  
Definitely key  
I know I'm somebody cause I'm definitely me  
Feeling insignificant is far from a flaw  
In the grand scheme of things all of us are
