

# C'mon

JINI

C'mon, c'mon, c'mon

One, one, one, one  
One touch  
One song  
One night  
I'm gone  
You're mine  
You're mine

Too soon  
Too late  
Too fast  
I press  
Replay

And I just wanna hear you on my speakers  
Repeat ya  
I'm dressed up in your t-shirt  
Boy, you go down like tequila  
Li, li, li, lime

My hands on your beautiful face, why we wastin' time?  
Uh, uh

Baby, c'mon, c'mon, c'mon  
Wanna love you harder  
Wanna make it louder  
Wanna listen to ya  
Baby, you're my favorite song  
'Cause you feel like music  
And I just might lose it  
Boy, you got me movin'  
Baby, c'mon, c'mon, c'mon

La, la, la, lala, lala  
La, la, la, lala, lala  
La, lala, la  
La, lala, la  
Lala, la, la, la, lala, lala  
La, la, la, la, lala, lala  
La, lala, la  
La, lala, la  
Baby, c'mon, c'mon, c'mon

I got you stuck up in my head, but baby, I ain't complainin'  
I hear your melody and, baby, it be drivin' me crazy  
But I could listen on a loop and I would never wanna change it  
No

Hear you on my speakers  
Repeat ya  
I'm dressed up in your t-shirt  
Boy, you go down like tequila  
Li, li, li, lime

My hands on your beautiful face, why we wastin' time?

Uh, uh

Baby, c'mon, c'mon, c'mon  
Wanna love you harder  
Wanna make it louder  
Wanna listen to ya  
Baby, you're my favorite song  
'Cause you feel like music  
And I just might lose it  
Boy, you got me movin'  
Baby, c'mon, c'mon, c'mon

La, la, la, lala, lala  
La, la, la, la, lala, lala  
La, lala, la  
La, lala, la  
Baby, c'mon  
Lala, la, la, la, lala, lala  
La, la, la, la, lala, lala  
La, lala, la  
La, lala, la  
C'mon, c'mon, c'mon!

I gotta know who you trust  
I gotta know who you love  
If it ain't me then it's no us  
You take your time, baby, no rush

It's that westside, shh...  
Never have you known a love quite like this  
Now ya hooked, all it took was one kiss  
Bend you back and do it just like this

Baby, c'mon, c'mon, c'mon  
Wanna love you harder  
Wanna make it louder  
Wanna listen to ya  
Baby, you're my favorite song  
'Cause you feel like music  
And I just might lose it  
(And I just might)  
Boy, you got me movin'  
Baby, c'mon, c'mon, c'mon

La, la, la, lala, lala  
La, la, la, la, lala, lala  
La, lala, la  
La, lala, la  
Baby, c'mon  
Lala, la, la, la, lala, lala  
La, la, la, la, lala, lala  
La, lala, la  
La, lala, la  
Baby, c'mon, c'mon, c'mon
