

As I Boil Ice

Jinjer

What does a man have to do
To get a piece of you?
What does a man have to become
To make it through?
What does a man have to do
To get a piece of you?
What does a man have to become
To make it through?

The rest enjoy hot bath
And I boil ice
They fly with the wind
As I put a dead horse to the cart, oh god

Others meditate
And I promote calamity
Watch me disintegrate
Disintegrate so rapidly
Others meditate
And i promote calamity
Watch me disintegrate
Disintegrate so rapidly

For the millionth time I got
Something to complain about
Where is my zest, interest?

You gave me wrong address
Whom do I address all my complaints?

What kind of mood were you in
When you clapped me together
Accidentally
Sick and fatigue
Uninspired, half asleep?

Then threw me in a box
Sent me to the earth
The manual is lost
Somewhere in the post

And I am missing few details
You can't name them all
So I do what I do best
I wallpaper when there is no wall

I can't think positive
Everything around screams impossible
As I boil ice
As everything is versa vice

What is happiness?
What is inner peace?
What does a man have to do
To get a piece of you
Every piece of you?
A piece of you

Every piece of you
