

## Blues For Mama

J.J. Cale

Blues for Mama  
Blues for Mama  
It just seems wrong, to sing this song  
'cos she's not here, where she belongs

Blues for Mama  
Blues for Mama  
Rest her soul, she's grown so cold  
Her touch is like the winter snow

Blues for Mama  
Blues for Mama  
She went away only yesterday  
I couldn't help  
What can I say

Blues for Mama  
Blues for Mama  
Blues for Mama  
Blues for Mama  
She made her run  
She can't be done  
She's the only one  
Blues for Mama  
Blues for Mama
