

Cherry Street

J.J. Cale

Down on Cherry Street
All the girls are lookin' fine
Down on Cherry Street
All the girls are lookin' fine.
When they put their hands in your pocket,
They ain't feelin' for no dime.

Down on Cherry Avenue
It's paradise
Down on Cherry Avenue
Things are lookin' nice
If you need some kinda lovin' boy
Don't think twice

Down on Cherry Avenue
Pickin' up and puttin' in
Down on Cherry Avenue
Pickin' up and puttin' in
That's where the ladies are
That's where the boys turn into men.

Down on Cherry Street
All the girls are lookin' fine
Down on Cherry Street
All the girls are lookin' fine
When they put their hands in your pocket,
They ain't feelin' for no dime
