

Don't Call Me Joe

J.J. Cale

Well I heard that phone ringing
Ringing off the wall
I ain't going to answer it at all
I've got me a pretty woman
Tucked up in my bed
I ain't going to talk today
Messes with my head so

Don't call me Joe
Pretend I ain't here no more
Don't you know this ain't no disguise
Just figure I'm in bed so
Don't call me Fred
I just can't hang out with you guys so

Don't call me Dan
I know you've got a plan
But I got me a pretty woman
I'm not your man

Don't call me Joe
Pretend I ain't here no more
Don't you know this ain't no disguise
Just figure I'm in bed so
Don't call me Fred
I just can't hang out with you guys no, no

Don't call me Joe
I ain't here no more
Don't call me Fred
Think I'm way ahead
