

I'd Like To Love You Baby

J.J. Cale

I'd like to love you baby and
Keep my other baby too
Put my arms around you
That's all I want to do
If the sun don't shine tomorrow
I know I've got you

I'd like to love you baby and
Keep my other baby too
Sometimes my baby's sleeping
Sometimes she's not around
Sometimes I look to find her
I know she'll put me down
Oh, won't you let me hold you
Let me lean on you

I'd like to love you baby and
Keep my other baby too
If the sun don't shine tomorrow
I know I've got you
I'd like to love you baby and
Keep my other baby too
