

# Let's Go To Tahiti

J.J. Cale

Let's go to Tahiti  
Let's go to Tahiti  
Let's go to Tahiti  
Let's go to Tahiti

Well, the man been working in the shop all year  
He said "Men, we've got to get out of here"  
Well, the girl been working in the five-and-dime  
She says, "Girls, let's go while we've still got the time"

Let's go to Tahiti  
Let's go to Tahiti  
Let's go to Tahiti  
Let's go to Tahiti

Tell the captain  
"Put the rum on the boat"  
Everybody on board, let's see if she'll float  
Let that old jet plane fly on by  
We've got the time till the day we die

Let's go to Tahiti  
Let's go to Tahiti  
Let's go to Tahiti  
Let's go to Tahiti
