

Goodbye

JJ Grey & Mofro

No you can't break me
But I know that ain't right
No you can't break me
But I know that ain't right
So hard to say goodbye
They can't break me
And I know it ain't right
Well they break me
But I know it ain't right
So hard to say goodbye
Well they break me
But I know it ain't right
Well they break me
But I know it ain't right
So hard to say...
