

# Rooster

JJ Grey & Mofro

See I'm a rooster, in the cut  
Shining on girl watch me strut  
I'm a rooster (rooster), still a man  
Guess you'll have to change them plans  
I'm a rooster (rooster), just so you know  
I decide which way I go  
I'm a rooster (rooster), here to stay  
Straight up molded out of clay

Another late night grooving  
Rolling with a rooster tonight, we rolling  
(Sing it, ladies) We rolling  
Another late night grooving  
Rolling with a rooster tonight

See I'm a rooster, standing true  
Got to keep it straight, stuck together like glue  
I'm a rooster, I know my place  
Have to keep my kids and keep my woman safe  
The woman is the soul of a man, she's the soul of a man  
She can keep it all together when you can't  
She's the spring from which I flow  
Teach me many things that I don't know  
But I'm a rooster (rooster), and that's a fact  
So now you know how I'm gonna act  
I'm a rooster (rooster), full legit  
Keeping it strong boy with true grit  
Things get hard, you can't split  
Some talk tough, some talk quit  
But only a punk would say that shit  
And that's straight up country boy

Another late night grooving  
Rolling with a rooster  
Rolling with a rooster tonight

We rolling (bring it down), we rolling (whatcha doin'?)  
We rolling (whatcha doin', girl?), we rolling

Another late night grooving  
Rolling with a rooster tonight, we rolling  
(Come on, y'all) We rolling  
Another late night grooving (oh yeah)  
Rolling with a rooster tonight

Rooster, rooster  
Rooster, rooster  
Rooster, rooster

Rooster, rooster  
Rooster, rooster  
Rooster, rooster

I'm a rooster, got the hammer down  
By the grace of God, I can't be bound  
I'm a rooster, and I can go all day  
Love a little work and love a lot of play

Holding the line they keep a coming all the time  
Gonna keep you weak if you want to stay blind  
To the joy and the pain and the love and the shame  
All around the world a rooster feels the same thing

Another late night grooving  
Rolling with a rooster  
Rolling with a rooster tonight
