

## This River

JJ Grey & Mofro

Stare at a picture but there's nothing for it  
I pull on the bottle and watch this river roll on by  
Trying to find purpose trying to see meaning  
Trying to make sense of the nonsense that I've called my life  
Cause only this river can bear me to safety  
Only this river can bear me away  
See them all work and play there on the other bank  
Warm in their houses while I face my cold alone  
Guess I've been a drinking away to keep the wolves of my mind at bay  
But if you run, you die I'm just too tired to care  
Cause only this river can bear me to safety  
Only this river can bear me away  
I feel her flowing, flowing right through me  
I hear her whispers drowning my words  
Cause only this river, only this river, only this river  
Can save me, from myself  
Where did my soul go? Where did my spirit hide?  
Why won't they rescue me from the pain in my mind?  
Cause only this river in all of her glory  
Only this river can bear me away  
Only this river  
Only this river  
Only this river...
