

# Alone

JJ Heller

Where am I  
Why is it so dark down here  
Do you know me  
Doesn't anybody recognize my face  
Or can I be replaced  
Can I be replaced

Do you need me  
What if I just up and left  
Would you miss me  
Would you miss me

I am so alone  
Doesn't anyone understand me  
I long to be home in my Father's arms  
Because he knows me

All I want is a little bit of company  
All I have is a paper bag  
Full of pieces that don't fit together  
Did they ever

I am so alone  
Doesn't anyone understand me  
I long to be home  
In my Father's arms  
Because he knows me

But I am so thankful for this time  
You so graciously remind me  
This is not my home  
This is not my home
