

Dream A Little Dream Of Me

JJ Heller

Stars shining bright above you
Night breezes seem to whisper, "I love you"
Birds singing in the sycamore tree
"Dream a little dream of me"

Say, "nighty night," and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me

Stars fading, but I linger on dear
Still craving your kiss
I'm longing to linger 'til dawn, dear
Just saying this

Sweet dreams 'til sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me

Stars fading, but I linger on dear
Still craving your kiss
I'm longing to linger 'til dawn, dear
Just saying this

Sweet dreams 'til sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream
Just a little dream
Dream a little dream of me
