

Free Indeed

JJ Heller

On the days, when I'm stuck in the mud
When I don't, feel worthy of love
With the weight, of the world on my back
I'm never alone, remind me of that

I am wild as a wave crashing into the sea
I'm coming alive with each breath that I breathe
I believe, I am free
I am free indeed

I work hard, but the harder I try
I only fall, farther behind
I'm done with the game, I've kicked off my shoes
With you by my side, how can I lose?

I am wild as a wave crashing into the sea
I'm coming alive with each breath that I breathe
I believe, I am free
I am free indeed

If You have set me free
Then I am free indeed
If You have set me free
Then I am free indeed

I am wild as a wave crashing into the sea
I'm coming alive with each breath that I breathe
I believe, I am free
I am wild as a wave crashing into the sea
I'm coming alive with each breath that I breathe
I believe, I am free
I am free indeed

I am free indeed...
