

Glory

JJ Heller

Come, fall at His feet
Lift your voice, sing to the King
Go and tell everyone
He is here, Christ the Lord

Glory, fills the sky
Emmanuel, He's born tonight
God and sinner reconciled
Emmanuel, He's born tonight

Give, all that you are
Keep your eyes, fixed on the star
Make Him room, inside your heart
He's the one, we've waited for

Glory, fills the sky
Emmanuel, He's born tonight
God and sinner reconciled
Emmanuel, He's born tonight

Good will to all [?]
Let there be peace upon the earth
Hope has come to us
The maker of the universe

Glory, fills the sky
Emmanuel, He's born tonight
God and sinner reconciled
Emmanuel, He's born tonight

Emmanuel, He's born!... tonight!
