

# I Dream of You

JJ Heller

When you fall asleep  
What will you dream  
Castles and Kings

The story's been read  
And you rest your head  
Warm in your bed

My love may dream  
Of beautiful things  
Till the dawn of the day  
Bright and new

Wherever you go  
I want you to know  
When I dream  
I dream of you

Fly over the sea  
Float on the breeze  
Careless and free

When your journey ends  
Wake up and then  
Dream it again

My love may dream  
Of beautiful things  
Till the dawn of the day  
Bright and new

Wherever you go  
I want you to know  
When I dream  
I dream of gentle wind  
Blowing in  
Time seems to slow  
The way we go  
Moonlight fills  
Up your room  
Darling you are  
My dream come true

My love may dream  
Of beautiful things  
Till the dawn of the day  
Bright and new

Wherever you go  
I want you to know  
When I dream  
I dream of you... (you)  
I dream of you... (you)
