

Let Down Your Guard

JJ Heller

I can see it in your face
You're somewhere below the surface
So you hide yourself away
A masterpiece behind a curtain

Let down your guard
I will never hurt you
Let down your guard
No matter what you've been through
I will always love you
Let down your guard

Even though you've been afraid
I believe you can be bolder
I can teach you to be brave
When you climb upon my shoulders

Let down your guard
I will never hurt you
Let down your guard
No matter what you've been through
I will always love you
Let down your guard

You don't have to hide You can be alive
