

Let It Snow

JJ Heller

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, snow, snow

Oh, it doesn't show signs of stopping
And I've brought some corn for popping
The lights are turned way down low
Let it snow, snow, snow

When we finally kiss goodnight
How I'll hate going out in the storm
But if you really hold me tight
All the way home I'll be warm

The fire is slowly dying
And my dear, we're still good-by-ing
But, as long as you love me so
Let it snow, snow, snow

As long as you love me so
We've got no place to go

As long as you love me so
As long as you love me so
We've got no place to go
Let it snow, snow, snow

As long as you love me so
As long as you love me so
We've got no place to go
Let it snow, snow, snow
