

# The More the Merrier

JJ Heller

The more the merrier  
There's always room to spare  
Add a leaf in our old table  
And another folding chair  
You don't have to do the dishes  
We won't make you say the prayer  
We just want to see you there

There's a thousand puzzle pieces  
And they'll find their place tonight  
Every cup is overflowing  
And the fire is burning bright  
We could turn on some old movie  
Santa Clause in black and white  
Stay however long you like

The more the merrier  
The less you carry on your own  
You don't have to be alone on Christmas  
So much laughter in the air  
And there's plenty more to share  
Come on over  
'Cause the more the merrier

I remember when we moved to town and didn't know a soul  
How our neighbors took us in  
And shared their hearts and shared their home  
So December is a time to spread the love that we've been shown  
What it feels like to be known

The more the merrier  
The less you carry on your own  
You don't have to be alone on Christmas  
So much laughter in the air  
And there's plenty more to share  
Come on over  
'Cause the more the merrier

What a joy it is to make a little room  
And there's always room for you  
It's the least that we can do

The more the merrier  
The less you carry on your own  
You don't have to be alone on Christmas  
So much laughter in the air  
And there's plenty more to share  
Come on over  
Come on over  
Come on over  
'Cause the more the merrier
