

# Thinking Out Loud

JJ Heller

When your legs don't work like they used to before  
And you can't sweep me off of my feet  
Will your mouth still remember the taste of my love  
Will your eyes still smile from your cheeks  
Darling I will be loving you till we're 70  
Baby, my heart could still fall as hard at 23

I'm thinking 'bout how  
People fall in love in mysterious ways  
Maybe just the touch of a hand  
Me, I fall in love with you every single day  
And I just want to tell you I am

So, honey, now  
Take me into your loving arms  
Kiss me under the light of a thousand stars  
I'll place my head on your beating heart  
I'm thinking out loud  
Maybe we found love right where we are

When my hair turns grey  
And my memory fades  
And the crowds don't remember my name  
When my voice doesn't sing the notes the same way  
I know you will still love me the same

'Cause honey, your soul can never grow old  
It's evergreen  
Baby, your smile's forever in my mind and memory

I'm thinking 'bout how  
People fall in love  
In mysterious ways  
Maybe it's all part of a plan  
I'll just keep on making the same mistakes  
Hoping that you'll understand

So, honey, now  
Take me into your lovin' arms  
Kiss me under the light of a thousand stars  
I'll place my head on your beating heart  
I'm thinking out loud  
Maybe we found love right where we are

So, baby, now  
Take me into your lovin' arms  
Kiss me under the light of a thousand stars  
Place my head on your beating heart  
I'm thinking out loud  
Maybe we found love right where we are  
We found love right where we are
