

You Can Fly! You Can Fly! You Can Fly!

JJ Heller

Think of a wonderful thought
Any merry little thought
Think of Christmas
Think of snow
Think of sleigh bells
Off you go
Like reindeer in the sky
You can fly! You can fly! You can fly!

Think of the happiest things
It's the same as having wings
Take the path that moonbeams make
If the moon is still awake
You'll see him wink his eye
You can fly! You can fly! You can fly!

Up you go with the world below
To the stars beyond the blue
There's a Neverland waiting for you
Where all your happy dreams come true
Every dream that you dream will come true

Think of the happiest things
It's the same as having wings
Let's all try it just once more
Look, we're rising off the floor
Jiminy! Oh my!
We can fly! We can fly! We can fly!

When there's a smile in your heart
There's no better time to start
Think of all the joy you'll find
When you leave the world behind
And bid your cares goodbye
You can fly! You can fly! You can fly! You can fly!
You can fly!
