

# You're The One I Want

JJ Heller

I was happy  
I was fine  
To keep my orbit small  
Never wishing on a star  
I wasn't wishin' much at all

I don't like pickin' favorites  
Or making up my mind  
Usually I'm good with what I've got  
Didn't know what I was missin'  
Wasn't looking for a sign  
I'm overwhelmed and taken by the thought  
You're the one I want

You are magic  
You are home  
What I didn't know I'd need  
Locked my heart up  
Safe and sound  
I'm so glad you found the key  
I'm so glad that you found me

I don't like pickin' favorites  
Or making up my mind  
Usually I'm good with what I've got  
Didn't know what I was missin'  
Wasn't looking for a sign  
I'm overwhelmed and taken by the thought  
You're the one I want  
You're the one I want

We are stardust  
You and I  
Held in time by gravity  
Floating forward  
Hand in hand  
There's no place I'd rather be

I don't like pickin' favorites  
Or making up my mind  
Usually I'm good with what I've got  
Didn't know what I was missin'  
Wasn't looking for a sign  
I'm overwhelmed and taken by the thought  
You're the one I want  
You're the one I want  
You're the one I want
