

She Kissed Me Anyway

JJ Lawhorn

I was stacking hay on a Saturday, I couldn't get her off my mind.

Working like a dog in the barn loft, getting two or one bail at a time.

He handed me my pay, and I made that old Ford fly.

She was sitting on the porch, when I rolled up her drive.

I was covered in dirt from a hard days work.

When daddy cut me loose for the day

She was all prettied up and I was looking pretty rough

but she kissed me anyway

Oh I've been dying to see her, and it was sure worth the wait

Hey your daddy didn't like me and your momma was looking but she kissed me anyway

We drove into town and we rode around, she kept smiling at me.

She slid on over till she couldn't get closer.

Beside me on that old bench seat.

When I dropped her off, I thought

"Hey I'm a lucky son of a gun"

As i was driving home it hit me

Oh man this must be love.

I was covered in dirt from a hard days work.

When daddy cut me loose for the day

She was all prettied up and I was looking pretty rough

but she kissed me anyway

Oh I've been dying to see her, and it was sure worth the wait

Hey your daddy didn't like me and your momma was looking but she kissed me anyway

Oh Yeah!

I was covered in dirt from a hard days work.

When daddy cut me loose for the day

She was all prettied up and I was looking pretty rough

but she kissed me anyway

Oh I've been dying to see her, and it was sure worth the wait

Hey your daddy didn't like me and your momma was looking but she kissed me anyway

Oh her daddy didn't like me, and her momma was looking but she kissed me anyway.
