

You Don't Know Me Very Well

JJ Lawhorn

If you think I'll trade grand daddy's truck for one that shines
.

If you think you'll take my guns without a fight.

If you think this farm will ever be for sale.

Hmmm

Then you don't know me very well.

If you want me to say there is a better country in this world.

If you think you can go behind my back and steal my girl.

If you think I'm leaving something that will send me to hell.

Then you don't know me very well.

If you think I'm scared to get a little mud on my boots.

If you think a guy like me don't support the troops.

If you think these hands ain't rough from slingin' on hay bails

.

Hey buddy, it's good to know ya'

But you don't know me very well.

If you think a stringer full of fish don't make me smile.

If you think I'd rather walk city street than a country mile.

If you look at me and see a plow boy and nothin else.

You don't know very well.

If you think I'm scared to get a little mud on my boots.

If you think a guy like me don't support the troops.

If you think these hands ain't rough from slingin' on hay bails

.

Hey buddy, it's good to know ya'

But you don't know me very well.
