

Best Boy

JJ Wilde

Feels so good going down in flames
Darlin' take it all, leave no remains
Love is a drug and I'm all fucked up again
Every night, unfamiliar places
Stranger in my bed keeps changing faces
Love is a drug and I'm all fucked up again

You say I got a problem with my heart
Let me buy you a drink at the hotel bar
I'll let you drive my car

This is my game, if you want to play
You can be my toy, you can be my best boy
I don't even care, if you play it fair
You can be my toy, you can be my best boy

Run with me, I'll set you free
Chasin' every high in the city streets
Love is a drug and I can't feel my face
I can live real fast while I'm still young
Findin' new ways to come undone
Love is a drug and I'm all fucked up again

You say I got a problem with my heart
I'll pick you up at the hotel bar
Back seat of my car

This is my game, if you want to play
You can be my toy, you can be my best boy
I don't even care, if you play it fair
You can be my toy, you can be my best boy

Now, don't you see, I'm runnin' free?
I know what you want and I got what you need
Yeah, don't you see, I'm runnin' free?
Loving tastes so good you'll drop down to your knees

This is my game, if you want to play
You can be my toy, you can be my best boy
I don't even care, if you play it fair
You can be my toy, you can be my best boy

If you want to play
Ooh, yeah, you want it
Be my best boy
