

# Wired

JJ Wilde

Fast cars, good life, what you waiting for?  
Grow up, perfect life knocking at your door  
I've been working for myself since seventeen  
Taking orders getting low on self-esteem

Yeah, wake up, same clothes, off I go to hell again  
Making money, sinking when I'm tryin' to swim  
I'm tired but I know a guy that has a cure for that  
I'm wired, that's the only way that I stay golden

There's something better than this  
(Ooh-oooh, ooh-oooh-oooh)  
I crack my teeth, bite down and grab it  
(Ooh-oooh, ooh-oooh)  
Need something better than this  
(Ooh-oooh, ooh-oooh-oooh)  
Breakthrough the prison of my habits  
(Ooh-oooh, ooh-oooh)

Take a bite of what kills you, honey  
It looks better that way to me  
Than being stuck here in this shitty apartment  
Working four jobs to make ends meet

Yeah, I wake up, same clothes, off I go to hell again  
Making money, sinking when I'm tryin' to swim  
I'm tired but I know a guy that has a cure for that  
I'm wired, that's the only way that I stay golden

It's something better than this  
(Ooh-oooh, ooh-oooh-oooh)  
I crack my teeth right down and grab it  
(Ooh-oooh, ooh-oooh)  
Need something better than this  
(Ooh-oooh, ooh-oooh-oooh)  
Breakthrough the prison of my habits  
(Ooh-oooh, ooh-oooh)

I came here for something, yeah  
Don't wanna be suffering, yeah  
I've been working for myself since seventeen  
Taking orders getting low on self-esteem

It's something better than this  
(Ooh-oooh, ooh-oooh-oooh)  
I crack my teeth right down and grab it  
(Ooh-oooh, ooh-oooh)  
Need something better than this  
(Ooh-oooh, ooh-oooh-oooh)  
Breakthrough the prison of my habits  
(Ooh-oooh, ooh-oooh)

I came here for something  
Don't wanna be suffering  
I came here for something  
Don't wanna be suffering
