

Flying High

JKT48

I'm sitting pretty, I'm enjoying the view
We're flying high, high

Feels like this gon' call for celebration
Made it from the bottom to the top, ah
Finally free, got my emancipation
I can hardly believe I made it this far
I feel the wave, I feel the love
I feel the energy
I'm on my way to better days
There ain't a thing that can stop me now

I'm sitting pretty, I'm enjoying the view
We're flying high, high
No stop, no quitting, going straight to the moon
We're flying high, high
Woke up hella grateful (said I)
Woke up hella grateful
Never let up, stayed faithful (yeah)
Never let up, had faith (tell me now I)
I'm sitting pretty, I'm enjoying the view
We're flying high, high

Bird's eye view of this whole town
I could see so clear, there ain't no clouds
Zoom, zoom on my way like a rocket
Nothing in my way that can stop it now

Me and my friends are tight
Everything feels alright
And a little bit of extra, the shoes rock at fiesta
Loving this life, so blessed

I feel the wave, I feel the love
I feel the energy
I'm on my way to better days
There ain't a thing that can stop me now

I'm sitting pretty, I'm enjoying the view
We're flying high, high
No stop, no quitting, going straight to the moon
We're flying high, high
Woke up hella grateful (said I)
Woke up hella grateful
Never let up, stayed faithful (yeah)
Never let up, had faith (tell me now I)
I'm sitting pretty, I'm enjoying the view
We're flying high, high

To the moon, to the stars
No, there ain't no telling where we'll go
Or how far
We ain't got no limits
Or no ceilings (yeah)
It's only the beginning (yeah)
Going till the wheels fall off
Gonna give it all that we got, ooh

I'm sitting pretty, I'm enjoying the view
We're flying high, high
No stop, no quitting, going straight to the moon
We're flying high, high
Woke up hella grateful (said I)
Woke up hella grateful
Never let up, stayed faithful (yeah)
Never let up, had faith (tell me now I)
I'm sitting pretty, I'm enjoying the view
We're flying high, high

Woke up hella grateful (said I)
Woke up hella grateful
Never let up, stayed faithful (yeah)
Never let up, had faith (tell me now I)
I'm sitting pretty, I'm enjoying the view
We're flying high, high
