

## Go Harder

JLS

I sent a dozen roses,  
She says she doesn't want them,  
Said all she wants is my time,  
My time now.

I make a reservation,  
There's always complication,  
'Cos i keep missing my flight,  
My flight now.

She loves me,  
But she's lonely,  
And there's only so much she can take now.  
Made a promise,  
To be honest,  
And I want this, I want this to work out.

I'll do anything to make this work,  
I said na na na na na na na na,  
I'll do anything to make this work,  
I go harder,  
I go harder baby.

Said put your hands in the air,  
And leave them up there,  
If you really believe in love.  
I'll do anything to make this work,  
I go harder,  
I go harder baby.

I try to send her shopping,  
She doesn't buy distractions,  
It's like my platinum declined,  
Declined now.

I think she's started doubting,  
I bet her mood is mountained,  
I got her in bad times,  
Bad times now.

Said she loves me,  
But she's lonely,  
And there's only so much she can take now.  
Made a promise to be honest,  
And I want this,  
I want this to work out.

I'll do anything to make this work,  
I said na na na na na na na na,  
I'll do anything to make this work,  
I go harder,  
I go harder baby.

Said put your hands in the air,  
And leave them up there,  
If you really believe in love.  
I'll do anything to make this work,

I go harder,  
I go harder baby.

S.O.S. is all that I need.  
S.O.S is all that I need,  
So I gotta go harder now.  
S.O.S. is all that I need.  
So I gotta go harder now.

I'll do anything to make this work,  
I go harder.

I'll do anything to make this work,  
I said na na na na na na na na,  
I'll do anything to make this work,  
I go harder,  
I go harder baby.

Said put your hands in the air,  
And leave them up there,  
If you really believe in love.  
I'll do anything to make this work,  
I go harder,  
I go harder baby.

I'm coming,  
I'm coming home,  
Cos I really gotta see you tonight.  
I'm coming,  
I'm coming home,  
Cos I really gotta see you tonight.

I'm coming,  
I'm coming home,  
Cos I really wanna see you tonight.
