

## Iss Mad

JME

Iss mad  
They keep offering bags, but I still say no, rags  
Young Adenuga, businessman, shouts out to my dad  
Iss mad  
They keep offering bags, but I still say no, rags  
Lewi B

My booking fee was under 1K  
When I started spitting in the year 2K  
Feds don't like me like the 3K  
'Cause I film them and upload in 4K  
I spray like an AK  
When I'm on stage with BBK  
Sick lyrics like Louis CK  
Heavyweight in the game, I'm DK  
My features don't cost 1P  
You better put I in your iPod like 2P  
My show's ram like I'm giving out free P  
But man's not doing this for P  
No Hublot, Rolex or AP  
Man's got a Tesla, fuck BP  
I use card not cash so I don't see P  
Smiling with my tash in my DP  
My booking fee was under 1 G  
When I started spitting in the year 2 G  
Feds don't like me or my three G's  
'Cause we film them and upload on 4G  
My videos cost more than a G  
I'm a legend in the music like The BeeGee's  
Please don't act like you can't see me  
Adlib for my next CD, jheeze  
Man are out 'ere tryna make one M  
I need a mixdown, send it to M  
I go to Yiannimize for the wrap, 3M  
So I drive to the cashpoint for M's  
See me on road in the AM  
You can't keep up in your BM  
Man's a T high streeter like CM  
Don't follow you so you can't DM  
War MC but you ain't won one  
Trap MC you ain't been to one  
Free the mandem but you can't free one  
And you will never ride the time for one  
This flow, pristine, A1  
Grime MC you can never be one  
Grime rave, yeah you will never see one  
Unless you come ends on a 3D one  
Tickets, buy one, get one free  
See me in Wood Green on the 123  
If you want a beat, holla D33  
CO, but you won't get one for free  
Pull up, in your Audi A3  
And I will eat that like vitamin B3  
Riddim on three-peat like C3  
In your AMG or your XD3
