

## Ldn Remix

JME

There used to be a day when you could roam the streets  
All night and stay out with your friends, blud  
Now you can't even walk to the shop without a little kid  
Saying "what you doing in my ends, blud?"  
Now, I used to be here on the street  
Before this little kid was even wearing pyjamas  
Now the new generation of LDN  
Wanna mess about and cause dramas

Hello, hi, I'm Jme  
And I'm more street than what you drive your car on  
This is my Lily Allen remix  
You know, she's got tracks with a bass guitar on  
The reason I done this?  
Cause there's kids on road that are so far gone  
Walking around all day and all night  
Like Super Mario with a star on  
I'm a stop their invincibility  
I'm the molten lava  
Teach kids to stick with education  
Forget the street drama  
But all I can do is talk  
It's up to you to choose to listen  
If not, you can walk the walk  
But you might go missing

There used to be a day when you could roam the streets  
All night and stay out with your friends, blud  
Now you can't even walk to the shop without a little kid  
Saying "what you doing in my ends, blud?"  
Now, I used to be here on the street  
Before this little kid was even wearing pyjamas  
Now the new generation of LDN  
Wanna mess about and cause dramas

They will let shots fly  
This is London life  
It's dangerous outside  
They've got guns and knives

See, I'm Boy Better Know T-shirt rocking  
CD shotting, government mocking  
Hold tight Tom MySpace, chart-topping  
Skate park's dropping  
Catch me slipping in my ends  
With 3310s, just bopping  
You need to walk with protection nowadays  
I found out the hard way, it was shocking  
Hello tazer, yeah, it's shocking  
I'm a Winchmore sixth form rider  
I'm boring, I don't even drink cider  
I'm not naive, though, I'm wiser  
Than the girls out of True Tiger and Ruff Ryder  
I'm trying to make grime wider  
I'm a ninja, I'm like Tinchy Stryder  
I don't leave my house  
Unless it is Ps, I stay on the web, I'm a spider

There used to be a day when you could roam the streets

Sun is in the sky oh why, oh why  
Would I wanna be anywhere else?  
Sun is in the sky oh why, oh why  
Would I wanna be anywhere else?  
Sun is in the sky oh why, oh why  
Would I wanna be anywhere else?  
Sun is in the sky oh why, oh why  
Would I wanna be anywhere else?
