

Matrix Nokia

JME

Let me show you about bars

Matrix Nokia phone
Turned off yeh fam it's like dat when I'm on fruity loops
Upstairs on my own
Downstairs mums watching Cat on a hot tin roof
I hit the road
Mandem all chillin with a Cat and a hot thin spoon
Now I'm all grown
Like big Olajide man I might box these youts
It's outta control
Weekend or a weekday man are like Drop these tunes
15 bag drone
Visuals on par with tracks give a shit about views
Man tear down shows
Look fresh right now get back with mudded up shoes
Got a baddaman flow
That's right rudeboy I'd sound wack If I spat like you
That's Serious

Lyrics Lyrics Lyrics
Jheeeese!
Turn the bass up!

Moschino offkey Jeans
Non uniform day yeh Jamie's pulling up mad
Shit that I've seen
Bleed out on the pavement, outside school all cas'
Rep N17
Coz that is the place council put mum and dad
And if there was beef
The mandem Face off as if they own the land
We chief up chiefs
Irony same way touch down in Lagos fam
Manna roll with chiefs
Man ain't gotta pay one penny or lift one hand
Manna move with G's
Yeh you could say they got cash or say they got mash
Both ways it's peak
Rudeboy plantain in my hand, chin chin in a bag
That's Serious

Lyrics Lyrics Lyrics
Jheeeese!
Turn the bass up man strictly bass up

Bauer Turbo Skates
Two tone, on the wheels tongue dropping down
Roll out with mates
Leave home, Only 3 to your name Mum Shouting!
Close that gate!
Reload
On the Walkman turn that tape round
My phone vibrates
Dun know
Matrix Nokia flick that out
Manaman clocked Snakes

On the phone
And in real life clock them how
Coz they move so bait
On road
See through them like the new five pound
You don't wanna race
You're too slow
Behind the tints I'm there with a smile
Man don't watch face
Oh no
That was the word then still is the word now
That's Serious

Lyrics Lyrics kmt
Jheeeese!
Turn the bass up
Strictly bass up
Sound of the bass up
