

# Road Runner

JME

I am the roadrunner  
Me me!  
And I run the roads like  
Me me!

Can you see this Boy Better Know tee that I'm sporting?  
I run the roads, but it's not a war ting  
I'm a brand new air force art as white as the food you are snorting  
While you slip that score ting, I look for the source of war  
Trust, no-one could ever be sore like me  
I'm the original battery sorting  
Only big tunes that I'm exporting  
And the bass-line ain't exporting  
So stop that, start supporting  
Ten pounds, rather extorting  
Extortion, done the talking  
Go Boy Better Know, don't come and purchase online  
No walking, and you don't know JME

I am the roadrunner  
Me me!  
And I run the roads like  
Me me!

Can you see my big foot stinking size 9 trainers?  
On the road like peace campaigners  
My whole crew is sick, we need medicine, tablets and inhalers  
Some people think I'm famous, but that's all cheese like quavers  
You'll see me drunk, outside the show, taking pics with the ravers  
All my haters, they're just traitors  
They got vexed when they saw my papers  
They used to be fans, then they saw my pinkies and were like "laters"  
I don't care though  
I'm a baders  
Next year you'll see like sailors  
You thought I was only a businessman, but truth say you didn't know

I am the roadrunner  
Me me!  
And I run the roads like  
Me me!

Can you see blatantly I do a lot like ACME  
My brain is an everything factory  
I don't beef or clash with anyone  
I'm cool so everyone backs me  
Serious!  
Sometimes people try to verbally attack me  
I spot them like lyrical acne  
Then I worry your charge like Scratchy  
Yeyeyeyeyeyeyoyoyo  
I've got a low battery  
I don't care if my bars are catchy  
Badman in London like Apache  
Serious!  
Badman in Napah  
Jump off the plane, jump in a taxi

Yasoo, rudeboy  
Take me to Napah, Creeks and Daxi

Roadrunner  
Me! Me!  
And I run the roads like  
Me me!  
I am the roadrunner  
Me me!  
I run the roads like  
Me me!  
I am the roadrunner  
Me me!  
And I run the roads like  
Me me!  
I am the roadrunner  
Me me!  
And I run the roads like  
Me me!

Cause I am the roadrunner  
And I run the roads like  
I am the roadrunner  
And I run the roads like  
I am the roadrunner  
And I run the roads like  
I am the roadrunner  
And I run the roads like  
I am the roadrunner  
And I run the roads like

I am the roadrunner!
